[About SmartTask](#)

Built to make planning easier.

SmartTask was created to help users organize their tasks, manage priorities, and stay focused on their goals.

Our Idea

Many people struggle with scattered tasks, missed deadlines, and unclear priorities. SmartTask brings these needs into one simple place.

Problem

Users often forget tasks or lose track of deadlines because their notes, reminders, and goals are spread across different tools.

Solution

SmartTask provides a clear workspace where users can add tasks, set priorities, link goals, and plan their time better.

Purpose

The purpose of SmartTask is to support better daily planning without making task management complicated.

Our Mission

To help students and busy users stay organized through a simple, focused, and easy-to-use task planner.

Simple Design

The interface is designed to be clear, calm, and easy to understand.

Better Focus

Users can focus on what matters by organizing tasks based on priority and time.

Personal Goals

Tasks can be connected to goals, helping users understand why each task matters.

calm, and easy to understand.

organizing tasks based on priority and time.

helping users understand why each task matters.

SmartTask

A simple task planner for students and busy users.
